OUR FOOD PHILOSOPHY

At the Sandwich Shop we don't believe in the average triangle sandwich - that's why we source the best quality artisan sourdough, slow cook our meats, and make our sauces and dressings in house.

Our catering menu offers a sample of all our traditional menu offerings, conveniently delivered on eco-friendly platters ready to serve at your function or event.

The Sandwich Shop is about honest food with a homely vibe, it's feeling close to loved ones, places and all great times. Life is like a sandwich, you have to fill it with the best ingredients.

We suggest the following sizes, however if you have a particular amount of people to cater for we can also provide a bespoke quote.
